NASAL MASK

Fits right for an easy night

Personalized fit and comfort

- **New compact ActiveCell™ technology**
Mirage™ dual-wall cushion with ActiveCell expands and contracts to accommodate more sleeping positions and varying pressures
- **Gentle seal**
Lightest sealing pressure for a gentle fit that reduces facial marks and eye irritation, and promotes long-term comfort
- **Self adjusting**
Decouples movement from mask to the face for an uninterrupted night's sleep
- **First-time fit**
MicroFit dial fine-tunes fit to suit your individual profile for a comfortable seal

ActiveCell expands ...

... and contracts

Quiet and streamlined

- **Quiet performance**
49% quieter than Mirage Activa¹
- **Softly diffused**
Unique design diffuses air quietly and gently for improved comfort for you and your bed partner
- **Clear field of vision**
Slender frame design and compact cushion are unobtrusive and feel light on the face

Intuitively easy

- **Hassle-free seal**
ActiveCell automatically seals and adjusts, reducing fitting time
- **One-handed adjustment**
You can easily adjust the MicroFit dial with one hand, even while lying down
- **Easy maintenance of mask**
Fewer mask parts make it easy to clean, assemble and disassemble
