Effortless comfort

With intuitive adjustment and a new ultra lightweight headgear, the Mirage™ FX for Her makes it simple to maintain your perfect fit. The contoured SoftEdge™ headgear design is kind to the face, and the gentle Spring Air™ cushion softly molds to your facial contours to create a perfect seal while delivering whisper-quiet therapy.

Wear and care have never been easier

With only four parts including the headgear, wearing and caring for your mask are reduced to the very basics. Squeeze-tab elbows let you quickly detach your tubing at the mask for easy removal, and the straightforward assembly makes cleaning a breeze.

Fit to your lifestyle

Built with your comfort and convenience in mind, the Mirage FX for Her will transform your therapy into a simple, easygoing experience that reflects your personal style.
