

# 3B™ Willow™

## Nasal Pillow CPAP Mask

*The 3B™ Willow™ is a premium lightweight mask designed for wearing comfort and ease of use. The headgear retains its shape making it extremely easy to put on and remove without re-adjustment. Nasal pillows are thinly tapered for increased softness and the elbow and interface are swiveled to allow the mask to turn with the patient during sleep.*

- Lightweight quick fitting headgear
- Dual-direction adjustable headgear
- Easy to disassemble and easy to clean
- 360° Rotatable elbow, easy to sleep
- Multi-hole vents disperse air quietly
- Anti-choke vent design
