Rediscover  
dreams

A man in a blue sweater is shown from the chest up, looking down at a white PAP machine he is placing into a blue travel case. The case is open on a bed with a white blanket and a brown crocheted blanket. The background is a softly lit room with a lamp and a window.

# PAP accessories

to meet your patients' needs

**Discover new ways to enhance your patients' therapy experience by offering a wide variety of convenient PAP accessories. Carrying these accessories can enable you to:**

- Keep in contact with patients and build lasting relationships for future opportunities
- Help patients enjoy a better quality of life with accessories that allow them to conveniently travel with their sleep therapy system and easily and discreetly store it at home
- Create a retail revenue opportunity and attract additional patients to your business

# DreamStation travel case

The DreamStation travel case\* gives patients a convenient, compact, and discreet way to travel with their DreamStation sleep therapy system and supplies.

## Convenient

The case includes a DreamStation 65W power supply that is lighter and smaller than the DreamStation 80W power supply. The included USB port powers the DreamStation\*\* system and can be used to charge items such as a smartphone and other electronic devices during travel.

## Compact

The lightweight, hard-fabric case offers an ideal combination of protection and portability. Its individual compartments accommodate the DreamStation\*\* system and neatly organizes the supplies. An included mesh pouch holds the tubing securely in place.

## Discreet

The case is designed to make traveling with sleep therapy equipment less cumbersome. A molded insert liner helps the patient thoroughly pack the PAP system components. The case can be easily attached to a roller suitcase and its zip top helps facilitate airport screening. On a plane, it easily fits in the overhead bin or under the seat.

## Benefits for patients

- The hard-fabric case provides added peace of mind that the sleep therapy system will be protected during travel.
- The included power supply offers travel convenience.
- The USB port on the 65W power supply reduces the need for an additional charger.
- Molded insert liner designed to help the patient thoroughly pack the PAP device components.

## Components

The case accommodates the Philips Respironics DreamStation sleep therapy system (blower only, no humidifier), the patient's mask and tubing, a 65W power supply w/ USB port, and a removable luggage strap.
