#### **COLLECTION AND USE OF MEDICARE INFORMATION**

We are authorized by the Centers for Medicare & Medicaid Services to ask you for information needed in the administration of the Medicare program. Authority to collect information is in section 205(a), 1872 and 1875 of the Social Security Act, as amended.

The information we obtain to complete your Medicare claim is used to identify you and to determine your eligibility. It is also used to decide if the services and supplies you received are covered by Medicare and to insure that proper payment is made.

The information may also be given to other providers of services, Medicare Administrative Contractor (MAC), medical review boards, and other organizations as necessary to administer the Medicare program. For example, it may be necessary to disclose information to a hospital or doctor about the Medicare benefits you have used.

With one exception, which is discussed below, there are no penalties under Social Security law for refusing to supply information. However, failure to furnish information regarding the medical services rendered or the amount charged would prevent payment of the claim. Failure to furnish any other information, such as name or Medicare number, would delay payment of the claim.

It is mandatory that you tell us if you are being treated for a work related injury so we can determine whether worker's compensation will pay for the treatment. Section 1877(a)(3) of the Social Security Act provides criminal penalties for withholding this information. If you are being treated for a work related injury be sure to check the appropriate box in Section 2 titled 'Condition Related to'.

Physicians and other suppliers, such as clinical laboratories, imaging service suppliers, and durable medical equipment suppliers are required by law to submit a claim for Medicare covered services furnished to you, the Medicare beneficiary, within one year of the date of service.

To reduce your out-of-pocket expenses, Medicare beneficiaries should always obtain medical care from physicians and other suppliers who are enrolled in the Medicare program. If you submit a claim for covered services furnished by a physician or other supplier who is not enrolled with the Medicare program, your claim may be denied.

For a list of participating Medicare enrolled physicians in your area, please go to <a href="www.medicare.gov/physiciancompare">www.medicare.gov/physiciancompare</a> or call 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048.

If a physician or supplier furnishes Medicare covered services to you and refuses to submit a claim on your behalf for those services, please call 1-800-MEDICARE (1-800-633-4227) in order to file a complaint with the Medicare contractor. TTY users should call 1-877-486-2048.

When you submit your own claim to Medicare, complete the entire form. If the claim form has incomplete or invalid information, the Medicare contractor will return the claim along with a letter to you clearly stating what information is missing or invalid.

If the Patient is deceased, please contact your Social Security office for instructions on how to file a claim.

NOTICE: Anyone who misrepresents or falsifies essential information requested by this form may upon conviction be subject to fine and imprisonment under Federal law. No Part B Medicare benefits may be paid unless this form is received as required by existing law and regulations (20 CFR 422.510).

#### **INSTRUCTIONS**

#### READ BEFORE SUBMITTING A CLAIM TO MEDICARE

(PLEASE RETURN ONLY THE FORM AND NOT THE INSTRUCTION)

Patient's Request for Medical Payment for the Influenza/Pneumococcal Vaccinations, Part B Services, (includes physician, laboratory, imaging services), Durable Medical Equipment, Prosthetics, Orthotics and Supplies, Foreign Travel (including Canada and Mexico) and Shipboard Services

### Influenza and Pneumococcal Vaccination:

Medicare may pay for seasonal influenza and pneumococcal vaccinations. Annual Part B deductible and coinsurance amounts do not apply. Medicare does not pay for the hepatitis B vaccines. All physicians, non-physician practitioners, and suppliers who administer seasonal influenza vaccinations must take assignment on the claim for the vaccine.

#### Part B Services:

In most situations, your physician, other practitioner or supplier will submit your claim to Medicare, if they do not, you can submit a claim.

## **Durable Medical Equipment, Prosthetics, Orthotics and Supplies:**

In most situations, your supplier of DMEPOS will submit your claim to Medicare, if they do not, you can submit a claim for an item or services furnished by this supplier.

### Foreign Travel (including Canada and Mexico):

Medicare law prohibits payment for health care services furnished outside the United States (U.S.) except in certain limited circumstances. The term "outside the U.S." means anywhere other than the 50 states of the U.S., the District of Columbia, Puerto Rico, the U.S. Virgin Islands, Guam, American Samoa, and the Northern Mariana Islands. Services furnished on a ship in a U.S. port or within 6 hours of when the ship arrived at or departed from a U.S. port are furnished inside the U.S.

There are three situations when Medicare may pay for certain types of health care services rendered in a foreign hospital (a hospital outside the U.S.):

- 1. You're in the U.S. when you have a medical emergency and the foreign hospital is closer than the nearest U.S. hospital that can treat your illness or injury.
- 2. You're traveling through Canada without unreasonable delay by the most direct route between Alaska and another state when a medical emergency occurs, and the Canadian hospital is closer than the nearest U.S. hospital that can treat your illness or injury. Medicare determines what qualifies as "without unreasonable delay" on a case-by-case basis.
- 3. You live in the U.S. and the foreign hospital is closer to your home than the nearest U.S. hospital that can treat your medical condition, regardless of whether it's an emergency.

In these situations, Medicare will pay for the Medicare-covered services you get in the foreign hospital and the physician and ambulance services furnished in connection with that foreign inpatient hospital stay.

## **Shipboard Services:**

Medicare may pay for medically necessary services furnished on a ship in a U.S. port or within 6 hours of when the ship arrived at or departed from a U.S. port only if all of the following requirements are met:

- You have Part B benefits
- The physician is legally authorized to practice in the U.S.

If the ship is more than 6 hours away from a U.S. port, Medicare can pay for medically necessary services only if all of the following requirements are met:

- 1. You have a medical emergency within 6 hours of departing or arriving at a U.S. port that requires inpatient hospital services.
- 2. The nearest or most accessible hospital that can treat you is a foreign hospital rather than a U.S. hospital.
- 3. The services are to treat the emergency illness or injury.
- 4. You have Part B benefits.
- 5. The physician is legally authorized to practice where he or she furnished the services

For shipboard services please include a copy of the ship's itinerary.
